

Sewer Line Replacement Project

News Release Date
10-27-2023

TOWN OF MAYODAN

Attention! Sewer Line Replacement

When: Monday, October 30th
Where: 505 N 5th Avenue & 510 N 4th Avenue
Why: Replace main sewer line

On Monday, October 30th, the Town of Mayodan's contractor will replace the sewer line in the right of way of 505 N 5th Avenue and 510 N 4th Avenue. This work will affect residents at 505 N. 5th Avenue and 510 N. 4th Avenue.

Work will begin with the removal of marked trees in the right of way. No interruptions should occur during the removal of the trees. The next step is replacing the main sewer line. Each home will be reattached as the work is completed. During this step, sewer service will be stopped to the home

until reconnection to the main sewer line is complete. Notification will be given to each homeowner before this work begins. After the sewer line replacement is finished, the work area will be seeded and strawed. Please do not park vehicles on the street after 7AM.

In case of bad weather, please check the Town's Facebook page, the Town's Instagram, @townofmayodan_official, or contact Public Works at 336.427.0243 for more information. We apologize for this inconvenience and appreciate your patience as we strive to improve the infrastructure and services of the Town of Mayodan.
