

Water Meter Replacement

News Release Date
10-27-2023

TOWN OF MAYODAN

Attention! Water Meter Replacement

When: October 30th - November 30th
Where: Homes along N 11th Avenue
Why: Installation of new water meters

Starting Monday, October 30th through Thursday, November 30th, the Town of Mayodan Public Works Department will replace water meters in the 100 through 400 blocks of N 11th Avenue. Work will begin at 8am each day. Public Works teams will work on two houses at a time. Those homes will have their water turned off until the work is complete. Unless there is an emergency, the water will remain on for homes not being serviced that day. This is part of the ongoing meter replacement project.

In case of bad weather, please check the Town's Facebook page, the Town's Instagram, @townofmayodan_official, or contact Town Hall at 336.427.0241 for more information. We apologize for this inconvenience and appreciate your patience as we strive to improve the infrastructure and services of the Town of Mayodan.
