The Hayodan Hay Bale Festival began in 2014 as a project of the Downtown Mayodan Merchants Association and the Town of Mayodan to promote Mayodan businesses in a unique and fun manner. The **Mayodan Arts Center** has now taken responsibility of this event as a new non-profit organization. All proceeds go directly to the operations and plans of the **MAC** to fulfill its mission:

To facilitate and showcase artistic interest and initiative to provide education in the fine arts to develop our community and rural county to a broader culture.

Mayodan turns into "Hayodan" throughout early fall. The self-guided tour provides the perfect opportunity to come visit Mayodan & surrounding communities during peak leaf season. While you are in town, we hope that you visit the shops & restaurants & tell them "thank you" for their cre-HAY-tivity & use the hashtag #Hayodan when you post pics to your favorite social media!
